DATE: DOUGLAS 1964

TO: Chief of Station, I

FROM: Chief, FM

SUBJECT: GENERAL

SPECIFIC: Rev. Dr. Ivan BREITLOCH

1. We have been requested by another division, which has an operational interest in subject, to carry out a discreet investigation of the Rev. Dr. Ivan BREITLOCH. It has been reported that subject travels occasionally from Munich, Germany, to Eindhoven (Netherlands) possibly associated with Calvary. The Netherlands, especially to teach at a Calvinist group (Calvary) Sunday there. He supposedly spends about two weeks every month or two months at the Sunday teaching. There have been some indications that he may be involved in intelligence activities for the Germans.

2. Information on a continuing basis concerning BREITLOCH's whereabouts and activities while in the Netherlands would be greatly appreciated, particularly the answers to the following questions:

- Does subject live in the Registry for the entire period that he is in Holland?
- Does subject travel to Belgium or does someone come from Belgium to visit him?
- Any indication of intelligence contacts or activities while in Holland?

SECRET -

In view of the Agency's operational relations with REINIOCH, any investigation through [ ] must be extremely discreet, and [ ] must receive no indication that we have anything but a genuine interest in subject. It is suggested that this latter approach, that of a routine investigation, may be the best method by which to handle this request.
